SHIPPING INFORMATION

We try to ship all in-stock orders placed by noon, the same day. Backorders should ship within 30 days.

FOR DELIVERY IN THE CONTINENTAL U.S.:

1-7 business days	Standard Ground or UPS Ground
3 business days	UPS 3 Day Select
2 business days	UPS 2 Day Air
1 business day	UPS Next Day Air
	(No morning guarantees!)

AIR SHIPMENTS USA (CONTINENTAL)

We use UPS for all of our air shipments. Please call or go online to determine what your shipping and handling fees will be. Please note that we cannot ship any flammables including paint and glue in an air shipment.

When ordering via an air service only "working days" are counted, not weekend days. So, if you order a package on a Friday by noon EST, and you order it 2 Day air, you should expect delivery on the following Tuesday.

If ordering Next Day air, you should receive your order on the next business day. Business days are Monday-Friday with the exception of Holidays and bad weather days. However, this depends on when we receive your order. If we receive your order after 12:00 noon EST, we may not be able to ship the order until the following business day. Fax or email may delay by one (1) business day.

We are not responsible for Internet, Web site, or computer problems. If you have placed an order via an "air" shipping method and we cannot retrieve or process your order for a day or so, we will still ship to you via the requested shipping method. We will attempt to contact you, however, if we cannot, we will ship your package as ordered and will not be held responsible for the shipping delay. If UPS fails to deliver your package within the guaranteed time frame, excluding any "acts of God," "bad weather," etc., then we will refund the cost of your shipping fees.

INTERNATIONAL SHIPPING

Shipping fees for order delivery outside of the continental USA can be found by calling, emailing, or going online. Due to the complex nature of international shipping, we must calculate the fees on a country-by-country basis. All payments in US funds using credit cards or PayPal only. Import duties, if they exist, are the responsibility of the purchaser.

Please note, we cannot ship flammables internationally.

No glue, no paint, nothing flammable. Even if ordering by surface delivery, we cannot ship flammables internationally. Nothing marked with a flame icon.

STANDARD GROUND SHIPPING

Our standard ground shipping carriers are UPS or the USPS, at our discretion. We allow you to specify UPS or USPS, however, to request UPS comes at an additional expense.

ADDITIONAL SHIPPING FEES

We have a standard freight rate table that we offer for "typical" orders. The following are some exceptions to that table. These non-refundable fees will be added to your order if they apply.

OVERSIZED

Packages with a longest length exceeding 40" (or 2nd longest side exceeding 30"), extra heavy packages, and multiple package shipments will require extra shipping above and beyond what is shown in the shipping and handling chart.

DAMAGED SHIPMENTS:

Please call Customer Service immediately at 1-260-587-9501 during business hours.

PLEASE NOTE:

- No flammables can be shipped via air. (glues, lacquers, paints, thinners, etc.) Marked with a flame icon.
- A \$50.00 fee will be charged for returned checks.

PAYMENT:

We accept personal check, VISA®, MASTERCARD®, DISCOVER® CARD or AMERICAN EXPRESS®.

Before mailing your order, please be sure to:

- Enclose your signed check.
- Print name, address and phone number clearly.
- Give correct stock numbers, sizes and descriptions.

Shooting Gloves and Tabs

Extend your hand flat. With a measuring tape, wrap it around the hand just below the knuckles and fingers, but above the thumb. Apply the measurement to the chart below. Order the larger size if in-between sizes.

- 7½" - 8" = Small
- 8½" - 9" = Medium
- 9½" - 10" = Large
- 10½" - 11" = X-Large

Hats and Head wear

Measure around the largest part of your head, just above the eyebrows. Try to measure where you would like the hat/head wear to sit when wearing it.

Hat Sizing	Small	Medium	Large	XLarge
Hat Size	6¾ - 6⅞"	7 - 7⅛"	7¼ - 7⅝"	7½ - 7⅞"
Head Size	21½ - 21⅝"	21¾ - 22¼"	22¾ - 23"	23½ - 23⅞"

If a size you order does not fit, our 3Rivers Archery 100% Satisfaction Guarantee allows you to return the glove/tab for the correct size.
