## SHIPPING INFORMATION

We try to ship all in-stock orders placed by noon, the same day. Backorders should ship within 30 days.

### FOR DELIVERY IN THE CONTINENTAL U.S.:

1-7 days	Standard Ground
3 days	UPS 3 Day Select
2 days	UPS 2nd Day Air
1 day	UPS Next day Air
	(No morning guarantees!)

### AIR SHIPMENTS USA (CONTINENTAL)

We use UPS for all of our air shipments. Please see our freight chart on the order form to determine what your shipping fees will be. Please note that we cannot ship any flammables including paint and glue in an air shipment.

When ordering via an air service only "working days" are counted, not weekend days. So, if you order a package on a Friday, and you order it 2-Day air, you should expect delivery on the following Tuesday.

If ordering 1-Day air, you should receive your order on the next business day. Business days are Monday-Friday with the exception of Holidays and bad weather days. However, this depends on when we receive your order. If we receive your order after 12:00 noon EST, we may not be able to ship the order until the following business day. Fax or Call Center may delay by one (1) day.

We are not responsible for Internet, Web site, or computer problems. If you have placed an order via an "air" shipping method and we cannot retrieve or process your order for a day or so, we will still ship to you via the requested shipping method. We will attempt to contact you, however, if we cannot, we will ship your package as ordered and will not be held responsible for the shipping delay. If UPS fails to deliver your package within the guaranteed time frame, excluding any "acts of God," "bad weather," etc., then we will refund the cost of your shipping fees.

### INTERNATIONAL SHIPPING

Shipping fees will be added to your order at the time of shipping. Due to the complex nature of international shipping, we must calculate the fees on an order-by-order basis. We will charge exact cost of shipping plus a \$5.00 handling fee. All payments in US funds using credit cards or PayPal only. Import duties, if they exist, are the responsibility of the purchaser.

**Please note, we cannot ship flammables internationally. No glue, no paint, nothing flammable. Even if ordering by surface delivery, we cannot ship flammables internationally. Nothing marked with an .**

### STANDARD GROUND SHIPPING

Our standard ground shipping carriers are UPS or the USPS, at our discretion. We allow you to specify UPS or USPS, however an additional fee of \$5.00 will be added to your order to request UPS.

### ADDITIONAL SHIPPING FEES

We have a standard freight rate table that we offer for "typical" orders. The following are some exceptions to that table. These non-refundable fees will be added to your order if they apply.

### OVERSIZED

Packages with a longest length over 60", extra heavy packages, and multiple package shipments will require extra shipping above and beyond what is shown in the freight chart. Any order that has an item that is marked with a  will be charged exact shipping costs plus a \$5.00 handling fee and we will add the extra cost to your order.

### C.O.D. ORDERS

We still ship orders COD but only through UPS. (We do NOT ship COD orders through the US Post Office.) All COD orders are "Cash Only." To UPS, US currency is not "cash." Only Money Orders, Certified Checks, or Cashier's Checks will be accepted for these orders. UPS charges a \$12.00 fee, that is to be added to your shipping & handling charge.

### DAMAGED SHIPMENTS:

Please call Customer Service immediately at 1-866-587-9501 during business hours.

### PLEASE NOTE:

- No flammables can be shipped via air. (glues, lacquers, paints, thinners, etc.) Marked with .
