

3Rivers Archery Shooter Application

- Shoot competitively with DAS/Tomahawk bows and Traditional Only arrows
- Post field reports and promote DAS/Tomahawk and Traditional Only arrows thru online forums, websites and social media
- Help sell and promote DAS/Tomahawk and Traditional Only/wood arrows and products at promotional events and shoots attended. This may include, but not limited to: IBO World, Kalamazoo Expo, or other events 3Rivers Archery attends, or desires a presence.

You are expected to use the bow and 3Rivers equipment during all public events and/or seminars when the use of archery gear is applicable (unless otherwise prearranged).

We ask you to complete an end-of-month shooting log each month. This will only take a few minutes of your time, but it provides us with a great bit of information about what you are experiencing and seeing in the archery world. We also ask that you complete an end-of-year Performance Review.
